"IL VALORE E LA BELLEZZA DELLE SUPERFICI"

Dal 2003 siamo il punto di riferimento per la realizzazione di corredi ceramici, formati speciali, battiscopa, inserti, mosaici, gradini e scale, offrendo la possibilità di creare ambienti unici, studiati su misura per qualsiasi tipo di progetto.

Adattandoci alle costanti evoluzioni del mercato della piastrella, negli anni ci siamo specializzati nella distribuzione e fornitura di ceramiche per pavimenti e rivestimenti.

Con uno sguardo moderno e sempre orientato alle ultime tendenze per i nostri prodotti in grès porcellanato e ceramica ci ispiriamo non solo ai materiali d'uso quotidiano come le pietre, i legni, il cotto, le resine e i cementi, ma anche alla nostra prestigiosa tradizione vietnese.

L'ampia gamma di colori, formati e superfici rendono i nostri prodotti versatili e ideali per arredare con gli spazi interni ed esterni.

Grazie alla continua ricerca e agli aggiornamenti tecnologici, ma anche all'esperienza e alle sapienti mani dei nostri artigiani realizziamo soluzioni coordinate a pareti e pavimenti, giochi di contrasti materici, abbinamenti ricercati, sono così frutto di uno studio accurato che mescola le esigenze pratiche della vita quotidiana allo stile unico di ogni ambiente.

Ogni elemento d'arredo prende forma in base alle esigenze degli spazi; come un abito sartoriale curato nei minimi dettagli, i nostri arredi danno valore e bellezza alla qualità delle superfici.

"THE VALUE AND BEAUTY OF SURFACES"

Since 2003 we have been the point of reference for the creation of ceramic kits, special formats, skirting boards, inserts, mosaics, steps and stairs, offering the possibility of creating unique environments, tailor-made for any type of project.

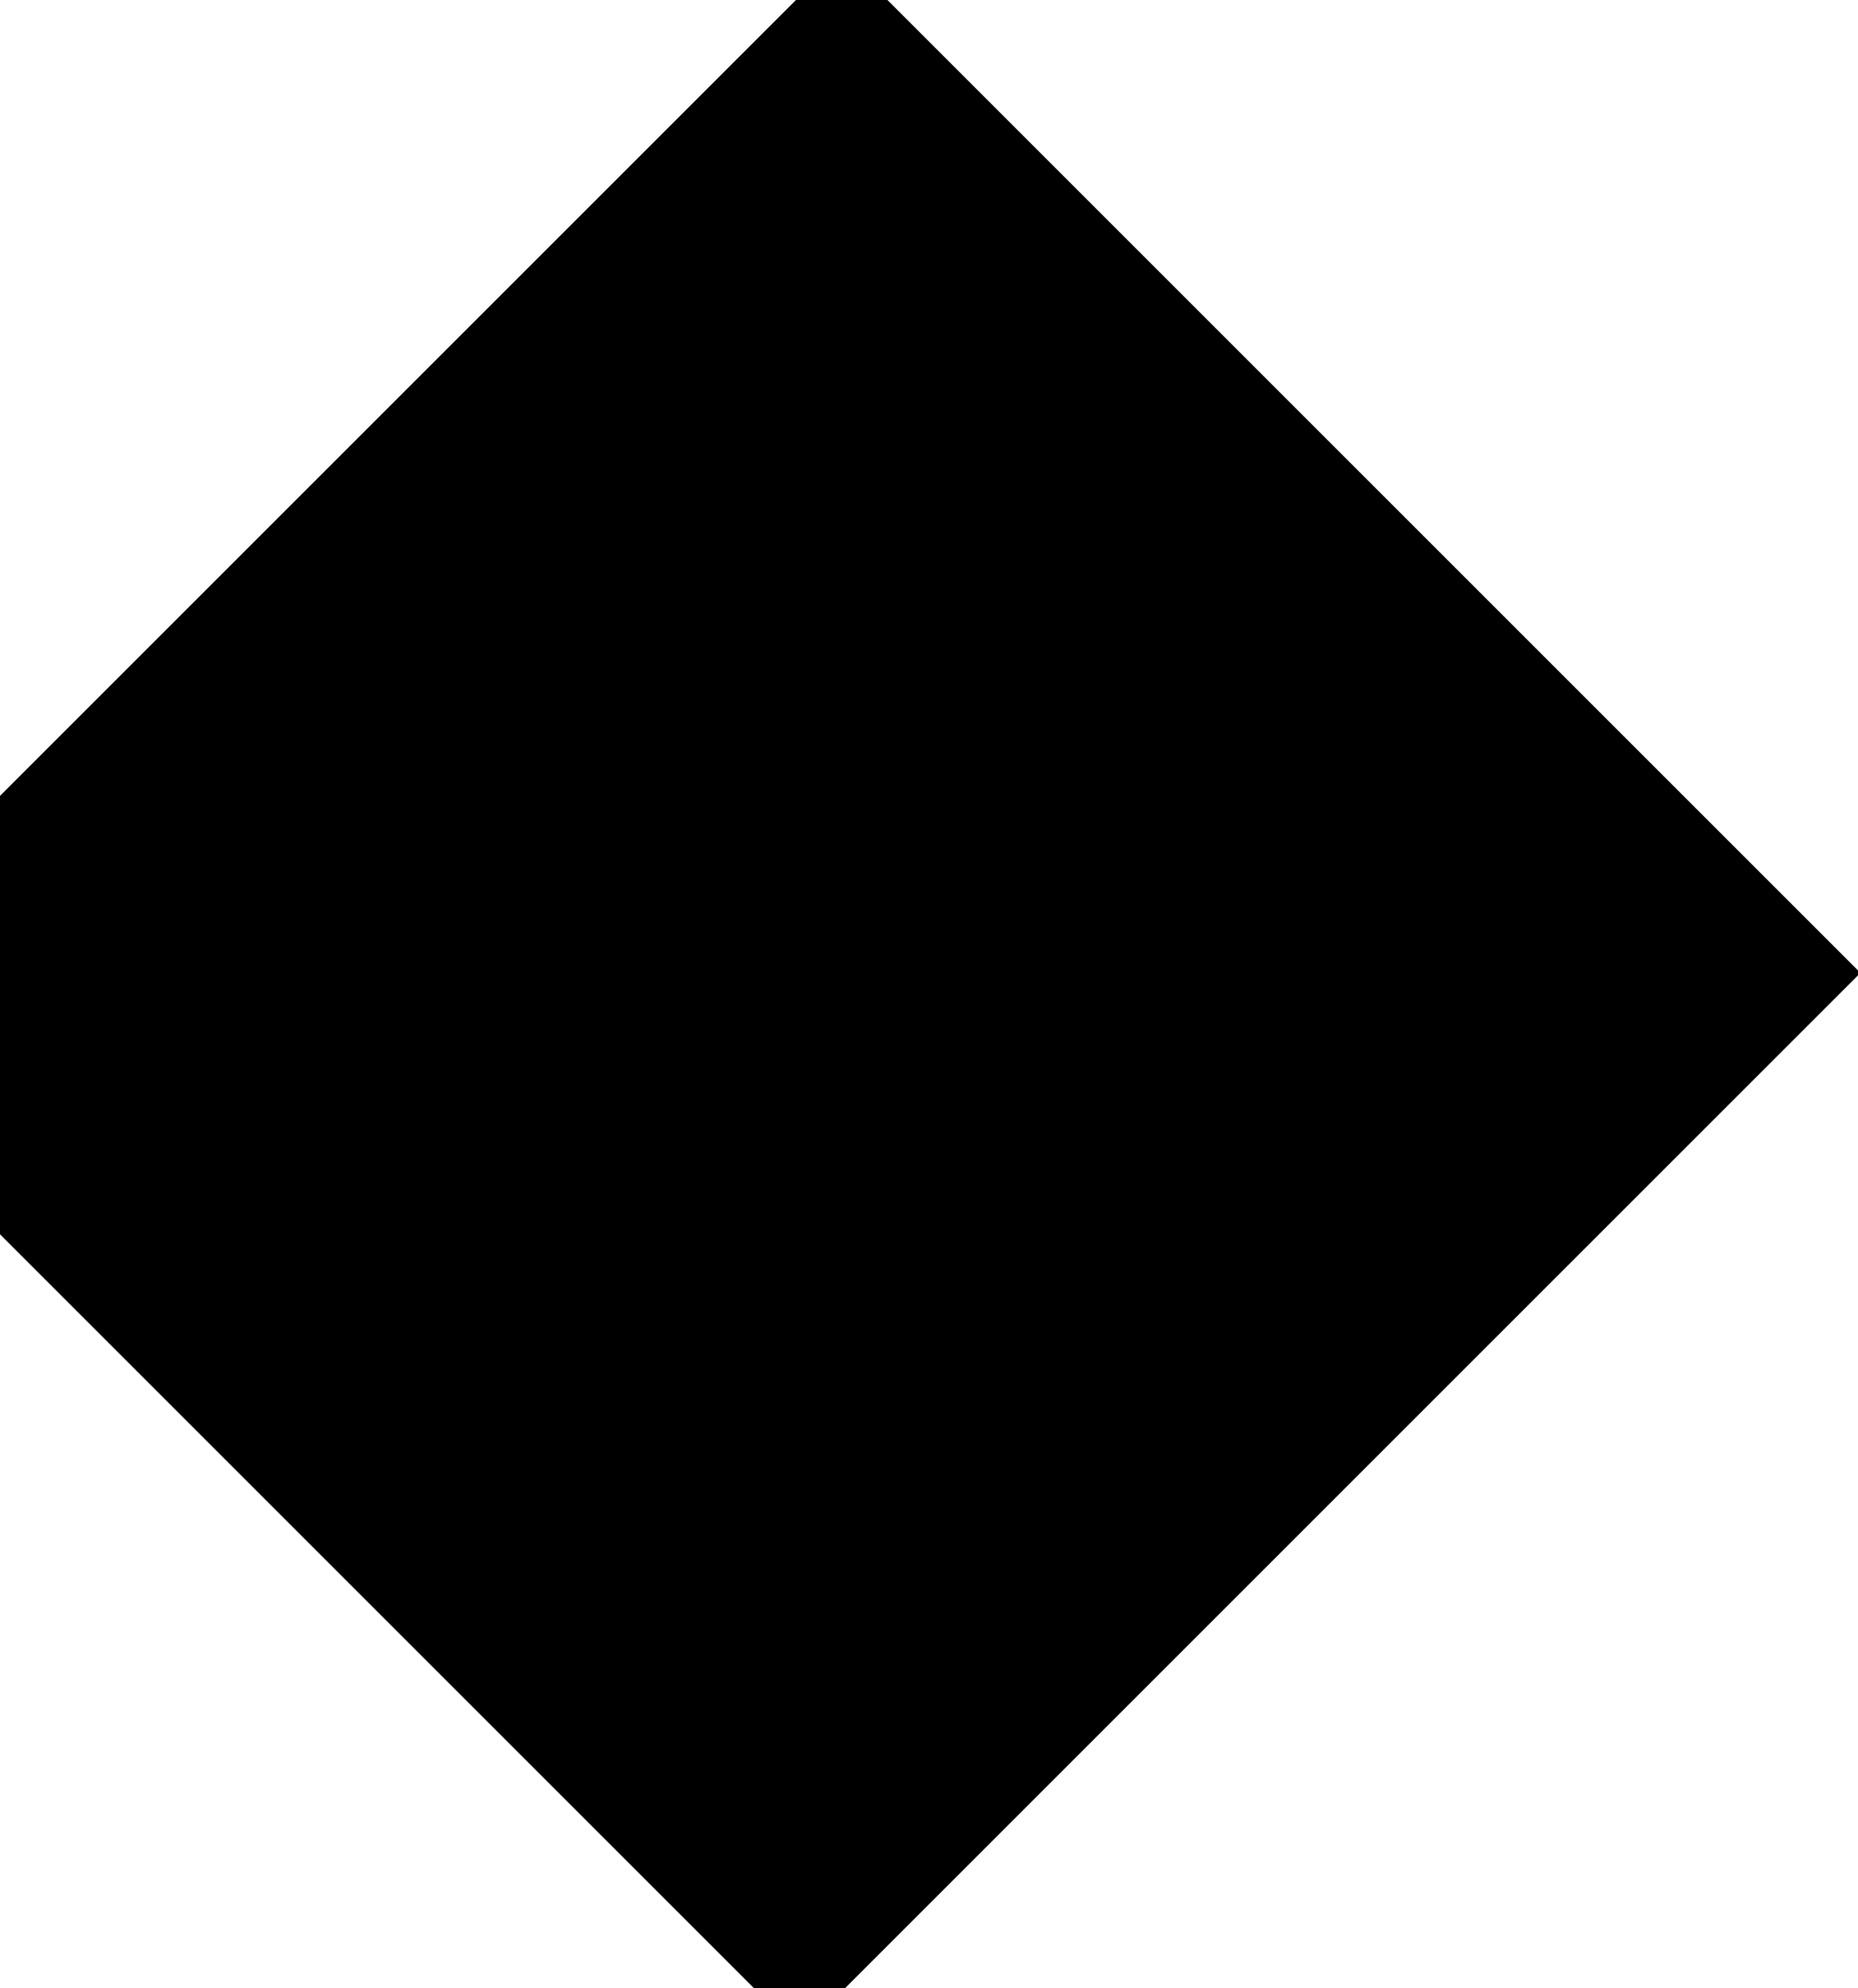

Adapting to the constant evolutions of the tile market, over the years we have specialized in the distribution and supply of ceramics for floors and walls.

With a modern look and always oriented towards the latest trends for our porcelain stoneware and ceramic products, we are inspired not only by everyday materials such as stones, woods, terracotta, resins and cements, but also by our prestigious tradition Vietri.

The wide range of colours, sizes and surfaces make our products versatile and ideal for decorating internal and external spaces.

Thanks to continuous research and technological updates, but also to the experience and skilled hands of our craftsmen, we create coordinated solutions for walls and floors, games of material contrasts, refined combinations, which are thus the result of an accurate study that mixes the practical needs of daily life to the unique style of each environment.

Each furnishing element takes shape based on the needs of the spaces; like a tailored suit with attention to the smallest details, our furnishings give value and beauty to the quality of the surfaces.
